2. Employees who take leave due to illness on the List of diseases requiring long-term treatment promulgated by the Ministry of Health are entitled to the following sickness regimes:

a) No more than 180 days, including public holidays, New Year holidays, and weekly rest days;

b) Upon the expiration of the period of enjoyment of the sickness benefits specified at Point a of this Clause, if they continue to receive treatment, they may continue to enjoy the sickness benefits at a lower rate, but the maximum benefit period is equal to the period of premium payment society.

b) Time to enjoy the regime when the child is sick:

1. The period of enjoying the regime when the child is sick in a year of each child is calculated according to the maximum number of days of child care, which is 20 working days if the child is under 03 years old; maximum 15 working days for children from full 3 years old to under 07 years old.

2. Where both parents participate in social insurance, each parent is entitled to benefits when the child is sick.

Sickness insurance in Vietnam for foreigners

The time off work to enjoy the benefits when the child is sick specified in this Article is calculated by working days excluding public holidays, New Year holidays, and weekly rest days.

Sickness benefits:

1. An employee who enjoys the sickness benefits as prescribed in the "time to enjoy the sickness benefits" section above shall be entitled to 75% of the monthly salary on which social insurance premiums are based before leaving work.

In case an employee who has just started working or an employee who has paid social insurance premiums previously has his/her working time interrupted, he/she must take a break from work to enjoy the sickness benefits within the first month. If they return to work, the benefit rate is equal to 75% of the salary on which social insurance premiums are based.
